

HUAYU[®]

RM-L1713

Product Characteristic

Thank you for using our company remote control product, RM-L1713 is a newly developed universal remote control product for ChangHong brand LCD/LED TV. Please try it after installing batteries at first time, if all functions are normal, you can use directly without setting. If it can't work normal, you need to make the following setting, then you can use for your TV.

Press "POWER" Key and "corresponding digital" key, then release.

Auto search function description

1. Turn on the TV manually, make the TV in a normal playing state, and point the remote control directly at the TV.
2. Press and hold the "MUTE" button for about 6 seconds, then enter the automatic search state, pay attention to whether the TV volume symbol is displayed, if there is, immediately release the "MUTE" button to stop the automatic search.
3. Test whether the functions of other keys are normal. If it is not normal, repeat step 2 until you find the correct code.
